No word that ever was spoken
Of human or godlike tongue,
Gave ever such godlike token
Since human harps were strung.

No sign that ever was given
To faithful or faithless eyes
Showed ever beyond clouds riven
To clear a Paradise.

Earth's creeds may be seventy times seven
And blood have defiled each creed:
If of such be the kingdom of heaven,
It must be heaven indeed.

Algernon Charles Swinburne.
